

# ABHIGYAN BAFNA

✉ [abhigyanbafna7@gmail.com](mailto:abhigyanbafna7@gmail.com) | 🌐 [Website](#) | [LinkedIn](#) | [GitHub](#)

An engineering undergraduate with a knack for solving problems and building new things.

## WORK EXPERIENCE

### [TheAgenticAI](#) | AI Engineer

Oct 2024 - Present

- Built multiple vertical AI agents like [TheAgenticBrowser](#). A multi-system AI agent that can run concurrent web navigation or research based tasks.
- Led multiple 0-1 client project developments, managing ideation to deployment with cross-functional teams.

### [General Mills](#) | Summer Internship

June 2024

- Developed an API automation system for shipment activities at a Fortune 500 FMCG leader, reducing operational costs by 40-60%.
- Implemented scalable backend solutions to streamline logistics and supply chain processes.

### [SimPPL](#) | Research Fellowship

June 2024

- Contributed to misinformation combat research at Stanford-affiliated group.
- Worked on research and development of data pipelines for systems to detect and counter targeted hate speech and harassment against public figures.

## PROJECTS

### [Seismo](#) | Chrome Extension

- A Chrome extension that monitors web requests and provides instant color-coded notifications of errors across the web.
- Features AI-powered error analysis, privacy-first design, and dev-friendly debugging tools.

### [ARC](#) | Web App

- A full-stack engineered personal blog that has a custom RTE, headless CMS, and follows ISR.

### [Asthenic](#) | Aesthetic photo sharing built with React + Sanity.

### [Synopsisize](#) | AI-powered content summarization tool.

## SKILLS

- **Programming Languages:** Python, Javascript, Java
- **Frameworks/Libraries:** NextJS, MERN Stack, Sanity.io
- **Databases:** MongoDB, PostgreSQL
- **Miscellaneous:** Google Apps Script, AWS, GCP, MuleSoft

## EDUCATION

Thadomal Shahni Engineering College | Mumbai University | B.E (I.T)

June 2025

Pace Junior Science College | 12th MSBSHSE (90.5%)

July 2021

Gopi Birla Memorial School | 10th CBSE (93.2%)

May 2019

## OTHER ACHIEVEMENTS

4x Hackathon Winner | SPIT | MumbaiHacks | TSEC Hacks | TSEC Codetantra

### [IETE-TSEC](#) | Head of Technical

2023

- Directed the technical department, conceptualized, and managed multiple college level events.

### Freelance | Design & Web

- Worked with clients around the globe, built things ranging from white label applications to designing logos and cards.
